Re: Investigation Concerning the Propriety of InterLATA Services by BellSouth Telecommunications, Inc., Pursuant to the Telecommunications Act of 1996

Case No. 2001-105

Dear Mr. Mershon:

Attached, pursuant to the Commission's July 13, 2001 Order, please find AT&T's Data Requests on BellSouth in the above-referenced proceeding. A copy of the filing will be available on the KPSC web site.

AT&T recognizes the similarity of some of these requests to discovery requests filed in other states. As indicated in the General Instructions, to the extent BellSouth has responded to such a request in another state and that response remains applicable to Kentucky, BellSouth can respond by identifying the earlier response by state, proceeding and specific request. This should avoid any unnecessary duplication.

If you have questions, please call me. Thank you for your attention to this matter.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "JL", written over the typed name.
